MANSFIELD TOWN
COMMUNITY TRUST

IMPACT REPORT

2025/26

A WELCOME FROM OUR CEO

It is a pleasure to introduce Mansfield Town Community Trust's 2025/26 Impact Report and share the difference we have made together across our communities over the past year.

At the heart of everything we do is a simple belief: that everyone should have the opportunity to thrive. Through the power of sport, education and community engagement, we strive to create positive experiences that inspire people, improve wellbeing and help individuals reach their full potential. Whether supporting children in schools, helping young people develop skills and confidence, creating opportunities for families, or improving health and wellbeing across all generations, our work is focused on making a meaningful and lasting impact.

This report highlights the breadth of that work and the people who make it possible. Behind every session delivered, every programme undertaken and every statistic reported is a person, a story and a positive outcome. From education and employability pathways to inclusion initiatives, wellbeing programmes and community engagement projects, the achievements featured throughout these pages demonstrate the important role Mansfield Town Community Trust continues to play across the communities we serve.

I am particularly proud of the social value generated through our work this year, but equally proud of the personal stories that bring that impact to life. The experiences shared within this report show how opportunities created through the Trust can build confidence, improve wellbeing, strengthen connections and inspire people to achieve more than they thought possible.

None of this would be achievable without the dedication of our staff, volunteers, trustees, participants, partners and supporters. Their passion, commitment and belief in our vision continue to drive the Trust forward, enabling us to reach thousands of people and respond to the needs of our communities.

As we look ahead, we remain committed to building on these foundations, developing new opportunities, strengthening partnerships and ensuring that Mansfield Town Community Trust continues to be a trusted and impactful organisation for local people.

Thank you to everyone who has supported the Trust throughout the year. I hope this report provides a genuine insight into the lives we have touched, the opportunities we have created and the impact we have achieved together.

Ricky Stevenson, CEO

A MESSAGE FROM THE CHAIRMAN

My wife Carolyn, the club's CEO, and I have always believed passionately in the power of hard work, education and opportunity to change lives. These values sit at the heart of what we want Mansfield Town Football Club to represent, both on and off the pitch.

As you will see throughout this report, Mansfield Town Community Trust (MTCT) brings those values to life every day. For more than three decades, MTCT has been working across Nottinghamshire, creating opportunities for children, young people, adults and older people to learn, grow, become healthier and fulfil their potential.

As the proud owner of my hometown football club, I take immense personal pride in the contribution MTCT makes to our communities. The fact that our charity operates under the name and badge of Mansfield Town Football Club gives us a unique opportunity to use the reach and influence of the football club to make a genuine difference to people's lives.

Football clubs have a special place within their communities. They can bring people together, inspire young people and provide a sense of belonging. That responsibility extends far beyond what happens for 90 minutes on a Saturday and MTCT is a vital part of how Mansfield Town fulfils that responsibility.

What impresses me most is the breadth and reach of the Trust's work. From supporting children in our schools and helping young people develop confidence, skills and aspirations, to improving physical and mental wellbeing, supporting people into qualifications and employment, and helping older members of our community remain active and connected, MTCT is making a difference at every stage of life.

Its work with the Premier League and other partners is particularly important in helping us reach people in schools and communities who might otherwise have fewer opportunities. Delivering these programmes effectively requires dedication, professionalism and, above all, a genuine commitment to people. MTCT's staff demonstrate these qualities every day.

The scale of participation highlighted in this report is remarkable. Behind every number is an individual, a family or a community whose life has been positively influenced by the work of MTCT. That is what makes the Trust such an important part of Mansfield Town Football Club.

I am immensely proud of what MTCT has achieved over the past three decades, but I am even more excited about what lies ahead. The challenges facing our communities continue to evolve and so must we. By continuing to listen, innovate and work in partnership with schools, communities, funders and organisations across the region, MTCT can reach even more people and create even greater opportunities.

My pride in Mansfield Town Football Club is immeasurable and it is a privilege to see the club making a difference beyond the football pitch. MTCT's commitment, energy and determination reflect the very best of what Mansfield Town stands for.

I hope this report gives you a real sense of the scale and importance of that work and of the positive impact MTCT is having across our communities every single day.

Come on you Stags!

John Radford, Chairman
Mansfield Town Football Club

WHERE WE WORK

Mansfield Town Community Trust works across Mansfield and surrounding Nottinghamshire communities, delivering education, sport, health and community programmes that create positive change.

OUR COMMUNITY REACH

The upper map highlights the towns and communities reached by the Trust across the wider area.

A CLOSER LOOK AT MANSFIELD

The lower map provides a closer look at Mansfield and its surrounding communities, highlighting key locations where our programmes and activities take place.

A SNAPSHOT OF OUR YEAR

WALKING FOOTBALL AWAY DAY

Our Walking Football participants travelled to Merseyside to face Everton in the Community, narrowly losing 8–7 in a close game. The group then stayed to watch Mansfield Town at the new Hill Dickinson Stadium, rounding off a special away day.

CHRISTMAS AT KING'S MILL HOSPITAL

Players and staff from Mansfield Town and the Community Trust visited the children's ward at King's Mill Hospital, meeting patients and families and handing out gifts ahead of Christmas. Selection boxes donated by Tesco Chesterfield Road also helped bring some extra festive cheer.

MANSFIELD'S FA CUP MOMENT

Mansfield Town Community Trust was proud to be the official charity partner for our sold-out Emirates FA Cup Fifth Round fixture against Arsenal, raising more than £1,500 across the day. The fixture gave us a major platform to showcase the Trust's work and engage with supporters across the stadium, while bringing community activity into one of the biggest matchdays of the season.

Ahead of the game, the Emirates FA Cup trophy visited St Joseph's Catholic Primary School in Ollerton, where pupils celebrated Mansfield Town's cup run alongside Chairman John Radford, Community Trust Patron Carolyn Radford, their family, Club Director Paul Brown and BBC Breakfast's Mike Bushell.

HER GAME TOO MATCHDAY

Our dedicated Her Game Too fixture against Barnsley saw the movement supported across the stadium and on the pitch, celebrating the role of women and girls in football. Mascots, flag bearers, players, staff and supporters all played a part in backing the campaign throughout the day.

PREMIER LEAGUE KICKS FAIR PLAY AWARD

Our Premier League Kicks participants represented Mansfield Town at a regional event in Derby, competing against teams from across the region and taking part in workshops. Their teamwork, respect and attitude throughout the day earned them the Fair Play Award, sending them through to the finals at St George's Park.

MILLER KNIGHT LIFT THE TROPHY

Nine businesses took to the pitch at the One Call Stadium for the 2026 Stags Business Charity Cup, helping raise funds for Mansfield Town Community Trust. Teams competed in a World Cup-style tournament, with Miller Knight crowned champions after a closely fought evening of football.

PFA COMMUNITY CHAMPIONS

Monica Bowley and Frazer Blake-Tracy were named our PFA Community Champions for 2025/26, recognising their support of the Trust and wider community. Frazer received his award at the club's Annual Awards Dinner, while Monica was presented with hers by PFA representative Ashley Hodson.

VAUGHANDALE SUPPORTS HOLIDAY CLUBS

Vaughandale Construction Ltd continued their support of Mansfield Town Community Trust by funding free lunches for children attending our Holiday Clubs at the One Call Stadium and Debdale Sports Park. Across the summer, their support helped provide meals for 720 attendances, giving children a nutritious lunch alongside a full day of activities.

The partnership also builds on Vaughandale's previous support of our Walking Football programme, continuing their involvement across different areas of the Trust's work to support our communities.

COMMUNITY DAY 2026

Mansfield Town Community Trust marked our designated Community Day fixture against Luton Town with a week of activity across schools, the stadium and wider community. A Yellow & Blue Day at Mapplewells Primary School helped build excitement ahead of the game, while supporters generously donated much-needed funds in the build-up to the game.

Matchday also featured a 110-mile static bike fundraising challenge and a Walking Football showcase at half-time, bringing together different areas of the Trust's work for one of our biggest community fixtures.

STAGS MILITARY VETS LAUNCH

Mansfield Town Community Trust launched its new Stags Military Vets programme with a breakfast event for local veterans, family members and supporting organisations. Attendees shared their experiences and helped shape future sessions focused on physical activity and social connection.

PLAYING ON THE PITCH

Participants from our Premier League Kicks, Walking Football and Come For A Kick About programmes each had the opportunity to play on the pitch at the One Call Stadium, enjoying special sessions at the home of the Stags and marking another successful season across the Trust.

SOCIAL VALUE

Through our programmes and activities, MTCT creates lasting social value across our communities. From improving physical and mental wellbeing to supporting education, employment and social connections, our work makes a positive difference to people's lives.

SOCIAL VALUE GENERATED:

£9,829,185

For every £1 invested in our programmes, MTCT generated an estimated £15.95 in social value. This reflects the wider economic and wellbeing benefits of our work, including estimated savings to public services.

PHYSICAL HEALTH
£231,950
Supporting more active and healthier lifestyles.

MENTAL HEALTH
£221,948
Improving wellbeing and resilience.

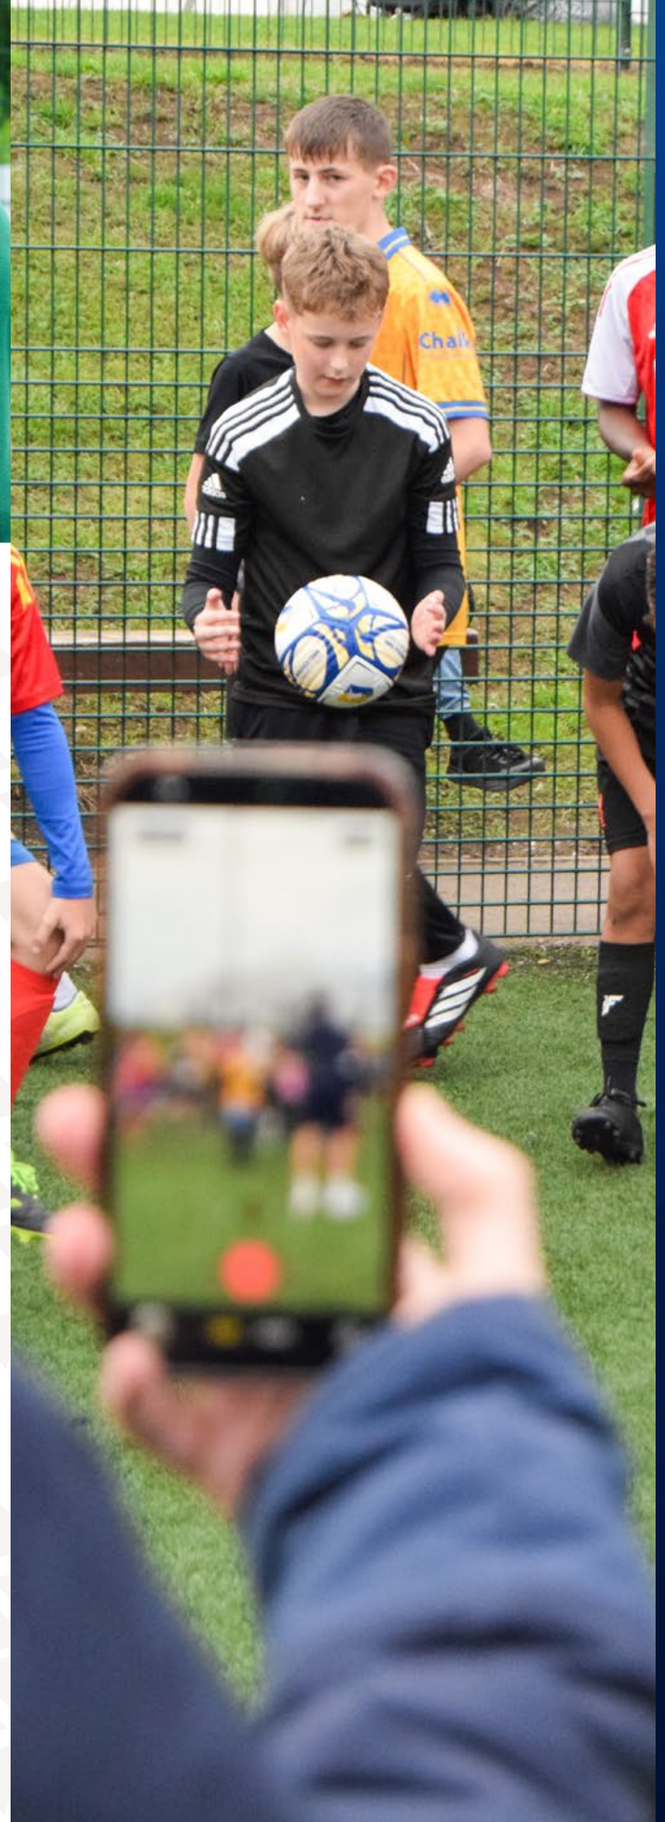

SOCIAL & COMMUNITY
£1,861,541
Stronger, safer and more connected communities.

EDUCATION & EMPLOYABILITY
£1,375,842
Developing skills, confidence and opportunities for the future.

SUBJECTIVE WELLBEING
£5,620,683
Greater happiness, life satisfaction and overall wellbeing.

ADDITIONAL SOCIAL VALUE
£517,221
Wider economic and community benefits through our work.

STRATEGIC OVERVIEW

OUR MISSION

To impact, inspire and support people throughout our communities using the influence of football, sport and community, backed by the brand of Mansfield Town Football Club.

OUR VISION

Our vision is to inspire and impact on our people and communities through the work and programmes delivered by the Trust.

STRATEGIC OBJECTIVES

1. Become a **highly impactful and trusted** organisation.
2. Promote **physical and mental wellbeing** through our work.
3. Make a **positive difference** to those in our communities.
4. Provide **unique** experiences.

STRATEGIC OUTCOMES

1. Improved **health and wellbeing** in our communities.
2. Support people to **fulfil their potential** and access more opportunities.
3. Creating an **inclusive and diverse** club community organisation and football club.
4. Developing **safer and more cohesive** communities.

PARTICIPANT FEEDBACK

Participant feedback helps us understand the impact of our programmes. By listening to their experiences, we can measure wellbeing, celebrate positive outcomes and better support our communities.

WELLBEING SCORES

Physical Wellbeing	Mental Wellbeing	Happiness	Life Satisfaction	Anxiety
8.37 /10	8.21 /10	8.74 /10	8.67 /10	1.41 /10
				A lower score indicates less reported anxiety.

PERCENTAGE HIGHLIGHTS

88% of participants rated their happiness at 8/10 or above

84% of participants rated their physical wellbeing at 8/10 or above

81% of participants rated their life satisfaction at 8/10 or above

79% of participants rated their mental wellbeing at 8/10 or above

PARTICIPANT EXPERIENCE

I feel welcomed at MTCT activities & events	100%
I feel safe at MTCT activities & events	100%
I feel connected to others at MTCT activities & events	100%
MTCT addresses my needs and those of our communities	97.7%
MTCT has provided unique opportunities	95.3%
I feel more confident about my future	83.7%

EDUCATION & EMPLOYABILITY

Through our Education & Employability programmes, we provide learners with the knowledge, skills and practical experiences needed to succeed in education, employment and beyond.

From post-16 BTEC qualifications and our University of South Wales degree programme, delivered in partnership with the EFL, we support individuals to develop confidence, gain recognised qualifications and achieve their ambitions.

CASE STUDY

FROM STUDENT TO COACH: PATRYK'S STORY

"Compared to when I started the course to now I feel like a much more confident person."

Through the Trust's Sports College programme, Patryk progressed from BTEC studies to a Foundation Degree in Sports Coaching and Development. Alongside his education, he gained his UEFA C qualification and coaching experience with the Trust's CEFA team. Now preparing to become lead coach for the education programme, his journey highlights how education and practical experience can develop confidence and coaching skills.

READ MORE ABOUT PATRYK'S STORY HERE

Football Education Programme

Delivered from the One Call Stadium, the programme provides an inclusive environment for male and female learners. MTCT coaches develop participants' technical skills and tactical understanding while providing pathways for students to progress within or outside of the Trust. The curriculum also gives learners an insight into sports coaching and development and how UEFA-qualified coaches prepare and deliver sessions.

Twinning Project

A partnership between HMPPS and professional football clubs, with MTCT delivering the programme within local prisons. Football coaches, club staff and prison PE officers co-deliver accredited coaching and employability qualifications to prisoners, helping prepare them for life following release.

University Degree Programme

Upon completing their studies within Further Education, either in-house at our Sports College, or through another off-site provision, learners can join our Higher Education programmes and work towards achieving a Foundation Degree in Sports Coaching and Development.

The Foundation Degree in Sports Coaching and Development is delivered in partnership with the University of South Wales (USW). Students enrol at USW and study through a blended-learning model while based locally at the One Call Stadium. Over two years, they work towards a university qualification that supports progression into careers in the ever-growing sports industry.

CASE STUDY

BUILDING A FUTURE IN COACHING: MILLIE'S STORY

"The opportunities I've had through the Trust have really helped me build my confidence and develop my skills."

At 17, Millie progressed from a seasonal role with the Trust into regular coaching support, helping deliver sessions for younger participants. With support from Premier League and PFA Core Fund investment, she gained qualifications including EE Playmaker, first aid and safeguarding, while developing her confidence, communication and leadership skills. Her journey highlights the Trust's pathways into employment and coaching.

COMMUNITY ENGAGEMENT & INCLUSION

By removing barriers to participation and celebrating diversity, we help people feel connected, valued and empowered to reach their full potential.

Through our Community Engagement & Inclusion programmes, we create inclusive opportunities that bring people together, strengthen communities and provide meaningful experiences inspired by the power of Mansfield Town FC.

Premier League Kicks
A community engagement programme aimed at 10–19-year-olds, delivered through accessible sessions designed to tackle anti-social behaviour and youth violence. The programme addresses a lack of opportunities for young people by providing pathways and experiences that help empower participants.

Between The Posts
Between The Posts is a free, player-driven programme for young people aged 11–16, funded through the Premier League and PFA Players' Fund. Combining esports, including EA FC and other popular titles, with physical activity, football, wellbeing and mentoring, the project uses gaming and the influence of professional players to engage young people, build confidence and develop skills in a positive, supportive environment.

Holiday Activities & Food (HAF)
A holiday programme responding to the challenges some families face during school holidays. It provides free holiday provision combining enrichment activities and food, with the aim of reducing the holiday experience gap, supporting healthy lifestyles and reducing social isolation.

Match Day Club
Provides youngsters with opportunities to watch Mansfield Town's men's first team, using donated tickets to create regular matchday experiences for young people.

Mascots
Provides young Mansfield Town supporters with the opportunity to experience matchday as a first-team player, including warming up alongside the players and leading the team onto the pitch.

Flag Bearing
Welcomes grassroots clubs, academy teams, schools and other groups onto the pitch before matches, helping create a positive matchday atmosphere as the Stags enter the field.

CASE STUDY

BEYOND THE PITCH: HARVEY'S STORY

"Since coming to Premier League Kicks, I've become much more confident speaking to new people and making friends."

Harvey's journey demonstrates the wider impact of Premier League Kicks beyond football. By providing consistent support, positive role models and an inclusive environment, the programme has helped him overcome barriers, improve his confidence, behaviour and wellbeing, while creating opportunities that he may not otherwise have experienced.

READ MORE ABOUT HARVEY'S STORY HERE

CASE STUDY

MAKING EVERYONE FEEL WELCOME: IZZIE'S STORY

"Instead of sitting at home, I'm socialising with new people and making new friends."

Through the Trust's Premier League Girls sessions at Debdale Sports Park, Year 8 pupil Izzie has developed her football skills, built friendships and grown in confidence. A regular participant since September, she now helps welcome new girls into the group, encouraging others to get involved. Her story highlights how inclusive football sessions can develop social skills, inspire young people and create a sense of belonging.

WATCH MORE OF IZZIE'S STORY HERE

PLAYER ENGAGEMENT

Mansfield Town's first-team, academy and women's players play a vital role in supporting our communities, using the power of the badge to inspire and connect with local people. Through school visits, hospital visits and community events, their involvement creates memorable experiences and strengthens the club's roots across Mansfield and surrounding areas.

450+
PLAYER APPEARANCES
This season

HEALTH & WELLBEING

Through our Health & Wellbeing programmes, we empower people of all ages to lead healthier, more active and connected lives.

By placing both physical and mental wellbeing at the heart of our delivery, we create inclusive opportunities that improve health outcomes, reduce social isolation and support individuals to build happier, healthier futures.

CASE STUDY

MORE THAN JUST FOOTBALL: MORGAN'S STORY

"The sessions have helped me realise it's okay not to be okay."

Since joining "Come for a Kick About?" in March 2025, Morgan has found support through football, open conversations and a welcoming community. The sessions have helped him improve his mental wellbeing, build lasting friendships and make positive lifestyle changes, including losing five stone in five months. His story highlights the impact of combining physical activity with meaningful social connections.

READ MORE ABOUT MORGAN'S STORY HERE

Walking Football

MTCT delivers three weekly walking football sessions aimed at engaging older and physically inactive participants to increase physical activity. The sessions use football to encourage staying active and help participants build social relationships and connections with others.

Active Minds

A long-standing healthy communities programme split into Active Minds Sport and Active Minds Chat. It supports people experiencing poor mental health, long-term health conditions and disabilities, helping participants become more physically and mentally active while building social connections.

Come For A Kick About?

A football and talk session for men aged 18+, delivered in partnership with Enlighten the Shadows. The free sessions are open to men of all abilities and provide a relaxed environment combining physical activity with open conversation around mental health. Each session includes a football activity followed by a group discussion in a safe and non-judgemental environment.

Day Service Support

Sessions delivered within local day service centres, using fun physical activities to engage participants. The programme provides opportunities for people with disabilities, who may find mainstream sport and physical activity difficult to access, to participate in a safe and welcoming environment.

CASE STUDY

FINDING A SENSE OF BELONGING: DANIEL'S STORY

"These sessions helped me take a step back into the community and reminded me that recovery is possible."

Through the Trust's Active Minds sessions, Daniel* has rebuilt his confidence and reconnected with the community after experiencing isolation whilst receiving mental health support. Initially anxious about attending, he found a welcoming environment where football, conversation and friendships helped improve his wellbeing. His journey highlights the importance of social connection in supporting recovery. **Name changed to protect privacy*

READ MORE ABOUT DANIEL'S STORY HERE

SCHOOLS & PHYSICAL ACTIVITY

Inspiring the next generation through our Schools & Physical Activity programmes, we work alongside primary and secondary schools to support young people with high-quality education, sport and enrichment opportunities.

By supporting teachers with professional development and delivering a range of internally funded and Premier League-funded initiatives, we help create positive learning environments that encourage children and young people to be active, engaged and reach their full potential.

Premier League Primary Stars

An education programme using the appeal of the Premier League and professional football clubs to help primary school children stay active and develop essential life skills. It supports PE and sport while also incorporating English, Maths and PSHE, connecting learning to the real world of sport.

School Tournaments & Events

MTCT hosts primary and secondary school football competitions throughout the academic year, providing opportunities for pupils to compete, win trophies and represent Mansfield Town at regional and national events.

Aspire Student Mentoring Programme

A mentoring programme delivered within local secondary schools, with MTCT coaches supporting students with behaviour, attendance and interpersonal skills. The programme uses workshops and one-to-one sessions to understand individual needs and guide mentees towards reaching their potential.

50/50 Penalty Shootout Fundraiser

A school-based fundraising activity where pupils take part in penalty shootouts. The programme raises unrestricted funds for both MTCT and participating schools, allowing schools to invest in enriching pupils' education and experiences.

Holiday Camps

MTCT delivers two forms of holiday provision: Football Camps and Holiday Clubs. Football Camps provide UEFA-qualified coaching in an inclusive environment, with activities including technical practices, games and tournaments. Holiday Clubs provide alternative childcare through a range of activities beyond football, including outdoor activities, crafts and movie days.

CASE STUDY

FINDING CONFIDENCE THROUGH FOOTBALL: ORLA-ROSE'S STORY

"I was quite scared at first because I didn't really know what to do. It's made me not as shy or nervous anymore."

Eight-year-old Orla-Rose has developed her confidence and football skills through the PlayHERS lunchtime club at Jacksdale Primary School. Initially nervous about taking part, she gradually became more comfortable, building friendships and enjoying opportunities to play alongside other girls. Her story highlights how inclusive sporting environments can help young people overcome barriers, develop new skills and grow in confidence.

WATCH MORE OF ORLA-ROSE'S STORY HERE

CASE STUDY

GROWING THROUGH LEADERSHIP: KYSON'S STORY

"I love helping the younger students play boccia. It makes me feel important and proud."

Through Premier League Primary Stars, Year 6 pupil Kyson has developed confidence and leadership skills through inclusive boccia sessions. Initially hesitant to lead, he progressed to organising games and supporting younger pupils. His journey demonstrates how inclusive sport can empower young people with additional needs, helping them build independence and become positive role models.
