

Mascots arrive at 1:30pm (6:15pm for a 7:45pm kickoff) at the Mansfield Town Community Trust office (located at the last door on the Ian Greaves Stand). On arrival, mascots will be signed in and parents/guardians will be provided with their passes, which allows entry for up to two accompanying adults. Each mascot will also receive their goodie bag, a signed football, and, if purchased in the full package, their Mansfield Town shirt. Shorts can be loaned on the day, but socks are not provided — we encourage mascots to wear the full kit for the best experience.

Before heading out, mascots will have the chance to change into their kit, and we'll ask them to share their favourite player for announcement over the PA system. Their mascot photo will also appear on the scoreboard as part of their big day if you have provided a photo

At 1:55pm, mascots will head out onto the pitch to take in the atmosphere and surroundings, while parents/guardians are guided to standing in Block A, where they'll enjoy the remainder of the experience. Professional club photographers will capture both individual and group photos of the mascots before we head to the tunnel to welcome the Mansfield Town players.

From there, mascots return to the pitch to enjoy a kickaround with MTCT coaches, before rounding off their unforgettable day by leading the team out before kick-off. Once the line-up is complete, mascots will gather at the centre circle for a photo with referees and captains (subject to change), before heading back to the sidelines.

Afterwards, Community Trust staff will escort mascots back inside to collect their belongings. Parents/guardians will be brought to the Community Room to sign their child out and any borrowed items are handed back, where passes are exchanged for match tickets. For mascots on the Walkout Only package, sign-out is completed on return and any borrowed items are handed back.
